

Vic-RAS-NET Meeting

Interested in recirculating aquaculture systems?

You are invited to the 6th Victorian Recirculation Aquaculture Systems Network (Vic-RAS-Net) meeting. This meeting is your opportunity to hear about current issues significantly affecting RAS operators, discuss common experiences and learn of some new projects and studies underway involving recirculation systems. A session on Best Practice Environmental Management Guidelines (BPEMG) is a great opportunity for you to provide input into this important process.

DATE : Friday 14th March 2003.

LOCATION : Marine and Freshwater Resources Institute (MAFRI)
Snobs Creek, Eildon.

COST: \$10: for the most up to date RAS information,
meeting notes, morning tea and lunch.
